

PROGRAM

April 25-27, 2024 • Barcelona, Spain

Thursday, April 25th, 2024

Auditorium

13:45-14:00 OPENING CEREMONY

Session 1: GENES MATTER!

Chairs: Joaquín Llacer – Gabriela Palacios

14:00-14:25 Genetics and Reproductive Medicine. Lessons learned from the whole genome project
Stylianos Antonarakis (Switzerland)

14:25-14:50 Pharmacogenomics and female infertility
Livio Casarini (Italy)

Auditorium

Room 5

**Session 2:
 1, 2, 3, LET'S START! ...
 STIMULATING DIFFERENTLY!**

**Chairs:
 Laura De La Fuente - Gorka Barrenetxea**

14:55-15:20
 Individualized Starting stimulating dose based on genetic profile.
Ana Neves (Portugal)

15:20 - 15:45
 Late-follicular phase start of ovarian stimulation
Christophe Blockeel (Belgium)

15:45 - 16:10
 Luteal phase start of ovarian stimulation
Enrico Papaleo (Italy)

**Parallel Session Embryology 1.
 RESCUE IN THE LAB:
 SOS EGGS AND EMBRYOS**

Chairs: Silvia Mateo – Irene Boiso

14:55 - 15:20
 Immature oocytes. When is it worth considering?
Başak Balaban (Turkey)

15:20 - 15:45
 Abnormal fertilized oocytes. When and how to use them.
Cristina Magli (Italy)

15:45-16:10
 Discussion

16:10-16:40 COFFEE BREAK

Auditorium

16:40-17:25 DEBATE I - DUAL stimulation: Double success or double trouble?
Chairs: Antonio Pellicer – Pedro N. Barri
 2 is better than 1+1: *Alberto Vaiarelli (Italy)*
 2 can't be better than 1+1: *Nick Macklon (United Kingdom)*

17:25-18:25 INDUSTRY-SPONSORED SYMPOSIUM I

18:25-19:10 DEBATE II - PCOS: In vitro maturation or simply stimulation?
Chairs: Isidoro Bruna – Montserrat Boada
 IVM3.0: *Michel de Vos (Belgium)*
 Conventional stimulation and freeze all: *Ernesto Bosch (Spain)*

19:10-20:00 WELCOME RECEPTION

Friday, April 26th, 2024

Auditorium

Session 3: "SURGICAL PROBLEMS" PRIOR TO ART

Chairs: Jean Marc Ayoubi - Pere Barri

8:30 - 8:55 What can hamper more ovarian reserve during endometriosis surgery?
Anis Feki (Switzerland)

8:55 - 9:20 Traditional and novel medical treatments for controlling endometriosis
Edgardo Somigliana (Italy)

Session 4: TIME TO "FREEZE TIME" WITH ELECTIVE FERTILITY PRESERVATION

Chairs: Dolors Manau - Marta Devesa

9:20 - 9:45 New indications for fertility preservation?
Kirsten Tryde Macklon (Denmark)

9:45 - 10:10 What can patients expect from their frozen eggs?
Dominic Stoop (Belgium)

10:10 - 10:35 Should we to use progestins to control the LH in all fertility preservation cycles?
Antonio La Marca (Italy)

10:35-11:00 COFFEE BREAK

Session 5: GET THE BALANCE RIGHT! QUALITY VS. QUANTITY IN POOR PROGNOSIS PATIENTS

Chairs: Nikolaos Polyzos - Miquel Solé

11:00 - 11:25 Is more always the better? "Mild" or "wild" ovarian stimulation for poor responders.
Biljana Popovic-Todorovic (Serbia)

11:25 - 11:50 Live and let die! Increasing the oocytes' lifespan!
Elvan Boke (Spain)

11:50 - 12:15 "Game-over" experimentation in poor ovarian responders. Switching-off unproven "Add-ons"!
Anja Pinborg (Denmark)

12:15-13:15 INDUSTRY-SPONSORED SYMPOSIUM II

13:20 - 14:30 LUNCH

Session 6: AI IN ART: ARE WE SUMMONING THE DAEMON?

Chair: Nick Macklon – Mónica Parriego

14:30 – 14:55 Fertility specialist versus machine learning.
Who knows to stimulate best?
Nikolaos Polyzos (Spain)

14:55 – 15:20 Is introduction of AI the future in the IVF lab?
Alison Campbell (United Kingdom)

Auditorium

15:20–16:05

**DEBATE III – Time to pull the trigger
for final oocyte maturation**

**Chairs: Enrique Pérez de la Blanca
Peter Humaidan**

Dual trigger for all:
Raoul Orvieto (Israel)

Dual trigger for some:
Juan Antonio García Velasco (Spain)

Room 5

Parallel Session Embryology 2.

BIG ZOOM TO EMBRYO CULTURE

Chairs: Marga Esbert – Gemma Arroyo

15:20 – 15:45
Limits and timing in embryo
development
Daniilo Cimadomo (Italy)

15:45 – 16:10
Room for improvement in embryo
culture
Aisling Ahlström (Sweden)

16:10–17:10 INDUSTRY-SPONSORED SYMPOSIUM III

17:10 – 17:30 COFFEE BREAK

Session 7: OPENING THE “BLACK BOX” OF THE LUTEAL PHASE

Chairs: Juan José Espinós – Manuel Álvarez

17:30 – 17:55 Natural cycle FET can we still allow planning
Samuel Santo Ribeiro (Portugal)

17:55 – 18:20 The luteal phase in stimulated cycles
Hakan Yarali (Turkey)

18:20 – 18:45 The Luteal phase in endometriosis/adenomyosis patients.
Peter Humaidan (Denmark)

18:45 – 19:10 Award José María Dexeus Medal

Saturday, April 27th, 2024

Auditorium

Session 8: EAT RIGHT, BREATHE RIGHT &... LIVE RIGHT!

Chairs: Andrea Genazzani - Antonio Gosalvez

9:00 - 9:25 Environmental chemical exposure and fertility in women.
Pauliina Damdimopoulou (Sweden)

9:25 - 9:50 The effect of weight loss and physical activity on fertility
Signe Sorensen Torekov (Denmark)

Session 9: CAN ANYONE SEE THE MAN IN THE ROOM?

Chairs: Piotr Sokol - Frédéric Lamazou

9:50 - 10:15 The Sperm-Count 'Crisis!'
Allan Pacey (United Kingdom)

10:15 - 10:40 Male genital infections and fertility
Álvaro Vives (Spain)

10:40 - 11:05 Automated ICSI
Nuno Costa-Borges (Spain)

11:05 - 11:35 COFFEE BREAK

Session 10: REPEATED IMPLANTATION FAILURE (RIF): "LOOKING UNDER THE HOOD"

Chairs: Joana Peñarrubia - Pedro N. Barri - Paul Pirtea

11:35 - 12:00 Looking at the microbiome
Carlos Simon (Spain)

12:00 - 12:25 Looking at the immune profile
Antonios Makrigiannakis (Greece)

12:25 - 12:50 Looking inside the uterus
Rudi Campo (Belgium)

12:50 - 13:15 Looking at nothing
Yacoub Khalaf (United Kingdom)

13:15 CLOSING REMARKS
