

45 International
ART towards
the future

October 20-22, 2022 • Barcelona, Spain

Thursday, October 20th, 2022

Auditorio AXA

Session 1: PATIENTS DIVERSITY IN MODERN HUMAN REPRODUCTION

Chairs: Dolors Manau (Spain) - Marta Devesa (Spain)

- 15:00-15:30** Advanced maternal age: How does it affect reproductive outcomes?
Dominic Stoop (Belgium)
- 15:30-16:00** Should increased BMI be a reason to delay ART?
José Bellver (Spain)
- 16:00-16:30** Female cancer survivors: fertility before and after treatment
Richard Anderson (UK)

Session 2: DEBATE IN INTENSITY OF OVARIAN STIMULATION

Chairs: Richard Anderson (UK) - Pedro N. Barri (Spain)

- 16:30-17:30** Mild ovarian stimulation in poor responders
Yes for all: *Bart Fauser (Netherlands)*
Not for all: *Panagiotis Drakopoulos (Belgium)*

17:30-18:30 COFFEE BREAK

Auditorio AXA

Sala Planta -1

**Session 3:
MODERNIZING OVARIAN STIMULATION**

**Chairs: Juan José Espinós (Spain)
Francisca Martínez (Spain)**

- 18:30-19:00**
Luteal phase stimulation: starting stimulating any day!
Annalisa Racca (Spain)
- 19:00-19:30**
Progestin primed ovarian stimulation (PPOS). Let's use some progesterone to control the ovaries
Baris Ata (Turkey)
- 19:30-20:00**
Individualized COS. Is there any role for pharmacogenomics to select ovarian stimulation strategies?
Joaquín Llacer (Spain)

**Session A Embryology:
MODERNIZING EMBRYO CULTURE**

Chair: Miquel Solé (Spain)

- 18:30-19:00**
Optimizing embryo culture: What are we missing?
Thomas Fréour (France)
- 19:00-19:30**
Live session from the lab. From the theory to the practice
Gemma Arroyo (Spain)
- 19:30-20:00**
Interactions with the audience
Thomas Fréour (France)
Gemma Arroyo (Spain)

Friday, October 21st, 2022

Auditorio AXA

Session 4: LUTEAL PHASE

Chairs: Ramón Aurell (Spain)
Annalisa Racca (Spain)

09:00-09:30

Luteal phase deficiency in fresh and frozen embryo transfer cycle
Peter Humaidan (Denmark)

09:30-10:00

Individualized LPS. Is it only a matter of a single P4 measurement?
Manuel Álvarez (Spain)

10:00-10:30

Natural versus artificial ART cycles for frozen embryotransfers. Wider implications
Anja Pinborg (Denmark)

Sala Planta -1

Session B Embryology: THE EMBRYO SELECTION PHASE

Chairs: Mark Grossman (Spain)
Clara González (Spain)

09:00-09:30

Improving embryo selection by time-lapse
Kersti Lundin (Sweden)

09:30-10:00

Blastocyst scoring practical session
Beatriz Carrasco (Spain)

10:00-10:30

Reviewing the available blastocyst scores. Time for consensus?
Giovanni Coticchio (Italy)

10:30-11:30 COFFEE BREAK

Auditorio AXA

Session 5: IMPLANTATION

Chairs: Miguel Ángel Checa (Spain) – Nikolaos Polyzos (Spain)

11:30-12:00 Recurrent implantation failure: Does it really exist, can we deal with it?
Edgardo Somigliana (Italy)

12:00-12:30 Why euploids embryos do not implant: the embryologist and geneticist view
Antonio Capalbo (Italy)

12:30-13:00 Add-ons for embryo implantation. Should we eventually stop “cooking”?
Kersti Lundin (Sweden)

Auditorio AXA

DEBATE Endometriosis and embryo implantation

Chairs: Edgardo Somigliana (Italy)
Pere Barri Soldevila (Spain)

13:00-14:00

We should operate before:
Simone Ferrero (Italy)
We should not:
Pietro Santulli (France)

Sala Planta -1

Session C-DEBATE Embryology: ICSI FOR ALL

Chair: Monica Parriego (Spain)

13:00-14:00

Pro conventional:
Thomas Ebner (Austria)
Pro ICSI:
Carlos Plancha (Portugal)

14:00-15:30 LUNCH

Session 6: WELCOME TO THE FUTURE OF ART**Chairs: Peter Humaidan (Denmark) - Anna Veiga (Spain)**

- 15:30-16:00** Artificial ovaries
Anna Seriola (Spain)
- 16:00-16:30** In vitro ovarian activation: experimental or ready for the prime time?
Francesc Fabregues (Spain)
- 16:30-17:00** Androgens and ovarian response: are we ready to hear the truth?
Nikolaos Polyzos (Spain)
- 17:00-17:30** Spindle transfer: is it the new success story in the lab?
Nuno Costa Borges (Spain)
- 17:30-18:30 COFFEE BREAK**
- 18:30-19:00** Award José María Dexeus Medal
- 19.00-19.30** XVII Premio y Beca de la Fundación Dexeus Mujer

Saturday, October 22nd, 2022**Auditorio AXA****Session 7: DEBATING IN ART**

- 09:00-10:00 DEBATE Selecting the perfect embryo**
Chairs: Carlos Plancha (Portugal) - Montse Boada (Spain)

Through imaging and Artificial Intelligence
Marcos Meseguer (Spain)
Through invasive and non-invasive preimplantation testing
Antonio Capalbo (Italy)
- 10:00-11:00 DEBATE - Endometrial receptivity assays**
Chairs: Piotr Sokol (Spain) y Nikolaos Polyzos (Spain)

Revolution in optimizing embryo transfer
Evolution towards the future: *José Antonio Horcajadas (Spain)*
Evolution towards the past: *Yacoub Khalaf (UK)*
- 11:00-12:00 COFFEE BREAK**
- 12:00-13:00 DEBATE - Chronic endometritis**
Chairs: Daniel Mataró (Spain) - Alicia Úbeda (Spain)

Hysteroscopy & antibiotics is enough: *Ettore Cicinelli (Italy)*
(R)evolution with the microbiome: *Shari Mackens (Belgium)*
- 13:00-13:45 CLOSING Keynote lecture**
Chair: Pedro N. Barri (Spain)
Anna Veiga (Spain)

Organizing/Scientific Committee

Pedro N. Barri
Nikolaos Polyzos
Buenaventura Coroleu
Gemma Arroyo
Marta Devesa
Francisca Martínez
Mònica Parriego
Annalisa Racca
